Returns (4)

Return	Form	Tax	How often	How to file	How to pay	Notes
Sales and use tax, on-road	ST-3 layout	Sales tax, mostly prepaid local	Monthly	Georgia Tax Center		Gallons by county and product, two lines per county. College Park, East Point and Hapeville go on line 4, College Park's Clayton side too; every other county on line 6.
Sales and use tax, off-road	ST-3 layout	Sales and use tax	Monthly	Georgia Tax Center		Dyed fuel. Georgia taxes the small per-gallon fees too, so taxable sales are product cost plus fees.
Motor fuel excise, distributor return		State motor fuel excise	Monthly	Georgia Tax Center		Schedules of Receipts and Disbursements. Sept 29 to Nov 30, 2026: report the gallons on both schedules, don't remit the excise.
Refund claim	MFD-33, with MF-12 waivers	Motor fuel excise refunds	As needed	Georgia Tax Center, as refund attachments		One MF-12 per supplier per refund type, signed by the supplier before a notary. Each load's invoice copies go in merged into one PDF.
